## June 2010 Monthly Program

## Tour of the LEED Certified Gateway Tower

*Presented by:*

**Brian Clary**

*Chief Engineer – Gateway Tower East  
Colliers International*

**Come see the latest technologies in a LEED Certified building.**

Gateway Tower is the future of Sacramento's Class A office space. The building uses the latest energy & water saving technology, enhanced natural lighting, and air systems to improve productivity and increase cost savings. It is one example of how the Sacramento Region is providing leadership and innovation for a better tomorrow.
