Why Water Management is Important to Facility Managers

Presented by:

Paul Schultz, CIC, CLIA, CLT-E

*Irrigation Resource Manager
for Cagwin & Dorward*

Learning Objectives:

1. Learn about impact of legislation on landscaping.
2. Discover assessment tools and techniques for getting the most of landscape water.
3. Find out about technology and trends in landscape upgrades that help reduce water and save money.

.....

Paul Schultz's Bio:

Paul has worked in residential and commercial irrigation since 1985. He currently serves as the Irrigation Resource Manager for Cagwin & Dorward, assisting company wide with water conservation projects and oversees their 16 CLCA Certified Water Manager Programs.

He has served as an educational guest speaker and been actively involved with East Bay Municipal Utility District's (EBMUD) Landscape Advisory Committee. He holds several irrigation certifications and is a Bay-Friendly Qualified Landscape Professional and an EPA WaterSense Partner.
