Sacramento Chapter Education Committee

Breakfast Presentation for
September 2008

**Professional Development:
Obtaining Your CFM, FMP or
LEED® AP**

And Other Educational Opportunities

This Professional Development Program has been developed for all Chapter Members who are interested in further advancing their career in Facilities Management by earning their CFM or FMP designations; by becoming LEED® certified; or by earning their Green Business Operations certificate.

The focus of this Professional Development Breakfast is to:

- Review the content and structure of the certification program and/or designation exam;
- Provide the administrative requirements, known schedules and expenses associated with each designation and certification;
- Offer suggestions to attendees on how to promote these educational opportunities with their employers and how to apply for continuing education grants through the IFMA Foundation.
- Share personal experiences; specifically, how earning these designations and certifications have impacted their job, their career and their work performance.

Presenters:

Serena Pancoast, CFM, Committee Chair,
Todd Bierbaum, FMP, Committee Co-Chair,
Zack Blake, LEED AP, Committee Member
Chuck Swiderski, CFM, CFMJ, Committee Member
