January 2009 Monthly Program

**In Pursuit of LEED-EB
from both the
Tenant and Owner
Perspective**

Speakers :

Steve Miller, PE

Director of Sustainability at HMH

Richard Fischer

Principal-Fischer Properties

Dennis Wertz

General Manager, Depot Business Park, A Fischer Property

Stephen D. Miller, PE, LEED AP, from HMH will be presenting his LEED-EB feasibility study for HMH's current location at 15 Business Park Way in Sacramento. Steve's presentation will cover the decision making process on whether or not to pursue LEED-EB O&M Silver Certification, specific LEED credits that have been targeted to achieve this certification, reasons for not pursuing other credits, and the importance of pursuing LEED-EB from the tenant's perspective as well as the building owner's perspective.

Richard Fischer, Principal of Fischer Properties and Dennis Wertz, General Manager of Depot Business Park will be on hand to discuss their perspectives of going after LEED-EB for HMH's space, as well as the "Green Vision" for the entire Depot Business Park, including current and future projects

Building Facts:

- * 115,000 sq.ft.
- * two-story plus basement
- * built in the 1950's
- * Cast-in-place Concrete Construction
