

**IFMA**<sup>TM</sup> Sacramento Valley  
Chapter  
International Facility Management Association

# 2022 LOCAL SUPPORTER OPPORTUNITIES

# Underline your direct contribution to the quality of IFMA resources and events as a Local Supporter

IFMA hosts several educational and networking events each year. Opportunities to sponsor special activities, on-site services for attendees or promotional take-away items increases visibility for your brand among a professional community of FMs.

Attend industry events, where you can network with facility professionals, gain field-tested strategies for heightening facility performance, and build a valuable contact list of colleagues to call on for advice.

Through the generous contribution of our supporters IFMA has the ability to deliver high-quality experiences and cutting-edge information to the facility management community.
